EDITORIAL

New month, new government! We have a new MP in Lizzie Collinge and, whether you voted for her or not, we are sure you will join us in hoping she represents the interests of her constituency and succeeds in any role she is given. We can at least, all be proud of the seamless and troublefree transition between leaders and the gracious way both accepted their changed roles. Other countries do not seem to be having it so easy!

As you can see from our front page, the Onion show is on again this year. Although this is not until September, as it is on the 1st of the month, we have decided to advertise it in the August edition to ensure everyone has time to get baking and choosing their best produce!

The committee would like to thank all who donated to the BN funds drive this year. The collection boxes have been put away for the winter and the total so far is a little over £1,000 with some donations still to be counted. We'll give the final total next month.

Burton News is still in need of new editors and a treasurer. Please contact the current editors if you would be interested in taking on either role. Sad to say that without these vacancies being filled there will be no Burton News in 2025.

The Parish council are also keen for someone to attend their monthly meeting and write a report for inclusion in the BN. This used to be a regular

Please would readers note that letters & articles must include a valid name & address. This can be with-held from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

feature but has, sadly, lapsed in recent years. We would love to hear from anyone who would be willing to take that role on; you would not have to be a committee member as well.

In this edition you will find the end of year school report, more meaderings from Mike, part 2 of the Royal Hotel hisory, Burton Thistles' fixture lists and information, a second poem from Peter Kay, and updates about the onion show and the MUGA.

Have a good Summer

Fiona & Matthew

BURTON NEWS URGENTLY NEEDS YOUR HELP!

We need to fill the following vacancies as soon as possible, and not later than the end of 2024 if Burton News is to continue in production:

EDITORS - Ideally at least 2 individuals, to ensure cover for holidays etc.

TREASURER - to record and manage our finances

MINUTES SECRETARY - to take minutes of our 11 monthly meetings per year

COMMITTEE MEMBER - to guide the content & production of Burton News

Training and appropriate hand-overs will be offered to all successful candidates.

For more information or to apply, please email burtonnewseditor@gmail.com stating which role you are interested in.

The views expressed within Burton News are not necessarily the views of the Editors or the Editorial Committee

Burton Women's Institute

Andrea, our President, welcomed 29 members to the July Meeting. Our Speaker, Debbie Haines, gave us a short history of Belly Dancing and then members were invited to practise the steps and have a go.

Our proposed Co-operative entry for the Westmorland Show was discussed and members were offered Entry Forms for individual entries as well as the opportunity to purchase Show entry tickets at reduced rates. The Members' enjoyable lunch at Pine Lake was reported on and Joyce outlined planned future outings. Betty Prickett won first prize in the Federation '200 Club' again.

The Competition for something with sequins and sparkles was won by Ann Rigg with Kath Hayhurst second, the Raffle was won by Anne Taylor with Liz second. On the 8th August we do not hold an official meeting but, at the kind invitation of Andrea, Members are invited to a Garden Party, with the theme 'Going to Ascot', at Low Gables at 2.30 pm .

Our Meeting in September will be a week early on the 9th Sept to allow for the Westmorland Show.

If you wish to join the WI, please contact our honorary secretary, Helena Nixon on 01524 781048.

Burton Book Drop & Coffee Mornings

**The Coffee Morning & Book Drop
will be on Monday 5th August**

Burton Book Drop Coffee morning is held in BMH on the first Monday in every month (unless its a bank holiday) from 10.00 to 11.00. All proceeds go to help the upkeep of the Hall. This is an opportunity to come and have a coffee, cake and a chat, buy a second hand book and use our Book Drop. The Book Drop is a community library service provided by Westmorland & Furness Council but manned by village volunteers.

48th Burton Onion Show.

The 48th Annual Burton Onion Show will take place in the Burton Memorial Hall on Sunday the 1st of September. For those that have never attended or heard of the Onion Show, it is a popular Village event that raises money for local good causes and charities, including funding the Children's Christmas Parties and Big Kids day out.

The day consists of a garden produce and home industries show including classes for children. All entries need to be in by 12 noon ready for judging. After the winners are decided and trophies are handed out, the auction of entered produce and promises will take place.

The day is a fun, family friendly, community spirited event with a bar and food as well as a bouncy castle to keep the kids busy.

You really don't need to be a Monty Don or Mary Berry to enter the classes, as they say: it's the taking part that really matters.

If anyone local can support the day with a promise for the auction or a raffle prize, please contact Neil Shaw - 07805 497885 or Carl Jackson - 07866 456677.

Looking forward to seeing you all on the day!
Neil, Carl and the OS team.

It's a Date in Burton Royal Hotel History Part 2.

A Mrs Agnes Burnie was landlady of the Royal Oak Inn from at least 1820 until her death aged 70 years in 1832. We know this because of several notices of house and land sales taking place in the hotel. For example:

1820 - Sept 29th - Sale of Land in Warton, Holme, Preston Patrick, Preston Richard and Heversham. This last, on Milnthope Marsh, was where the bricks were made for the tunnel at Hincaster.

1827 - 21/22nd August - Sale of the Estate of Rev Henry Still including a mansion house, outhouses and 450 acres in Burton, and 900 acres in Old Hutton and Killington. In 1829 two meetings at the Royal are recorded between Rev Still's creditors and the executrix.

In February 1831 The Royal Oak hosted the Bachelors Ball, a fashionable assembly patronised by Mrs W.W. Atkinson.

Agnes Burnie died, and was universally missed, on 15th August 1832. The Hotel was put up for Let the following year by her daughters. It included a house, stables and 13 acres as well as a double bodied phaeton and harness and a valuable assortment of furniture.

News from Burton Memorial Hall

Thank you to everyone who came along and supported our Strawberry Saturday event in July, which was very well-attended and where we almost sold out of cakes and re-homed a quantity of strawberry plants as well. Should we do it again next year? Let me know if you'd like us to do so.

Our next mid-monthly coffee morning will be on Saturday 17th August, 10am till 11.30am with lots more yummy cakes on offer. Do come and join us, it's always a very friendly morning.

Looking ahead to our Christmas Market on Saturday 9th November, we have just 4 unbooked tables left, so if you would like to book one please email me on bmh@burtonweb.org.uk or call me on 01524 781306. They are £15 each, one table per application, and the event is open 10am till 4pm.

Finally, the hall management committee is still not at capacity, so if you are interested in joining us and helping manage our very busy hall please do get in touch, via the same means as above, for a chat and more info as to what is involved.

Kind regards,
Anne Nichols

Gentle walks ...

... meander through ...

... stunning, tranquil ...

... Lakeland scenery

We can't resist telling you about this, recently published, book written by one of our village residents - Bern Marshall.

It is a book of lovely and gentle walks, very local to our area, along with reflections on wildlife, landscapes and life. It is illustrated and beautifully photographed by Bern and his wife, Janette. Bern has offered us one example which we will include in the next issue.

Poetry by Peter Kay

Peter Kay has kindly shared three of his poems with the Burton News. This is the second of the three. We hope you enjoy it.

Sundays down The Moss

Horizons were big back then, hidden gems
lay nearby, shaft of a peat shovel, a glint
of steel, slant of the push-me-pull-me
handle, cry of the bittern amongst tapering
reeds, the scent of stagnant moss and axle
grease, a splash of yellow iris, marsh marigold.
A Child's hand parts the green scape,
in a search for hidden tracks, where trolleys,
trucks & pulleys provide playground rides
between the hefted peat, past neatly cut squares,
drying mounds of bricks all neatly stacked.
No one sees us, nobody cares, hunkering down
within the sphagnum. Overhead a creamy headed
harrier. We watch her flight, long tail, shallow v,
cotton grass flutter-flicks as a gentle breeze stirs,
enables the predator to spot her prey.
The heat of day subsides, but we stay on,
ignoring the Danger Keep Off signs, aware
of perils, sink bogs, sticking to oft trodden
paths, following shiny sleepered rails.
Back home, bedsprings will be squeaking,
we will not be missed.

Peter Kay

Burton Recreation Trust

Here we are in August already and, while it's not quite been the summer we had hoped for, the committee have been making the most of the odd dry day to do some jobs up at the muga that needed doing. With the fencing fixed, litter picking done and other odd jobs complete, we are, hopefully, ready for the school holidays, as sure as we can be that the village and local community can use it knowing it's safe and secure for all users. As a group we put a lot of hours into making sure we are doing what we can to keep the facility clean, safe and secure.

This doesn't just take a group of volunteers it also takes funds. We recently received a very generous donation from the late Brian Martin's family; Roger, Karen and Janet, and the committee would like to thank them for this. We know as a group how much Brian did for the village and the Onion Show, so to be considered was both appreciated and touching. We wanted to take this opportunity to say "thank you" again and we will make sure this donation is used for something that all can enjoy up at the muga over the next few months.

Over the holidays we hope the community will use the facility and enjoy meeting up with their friends there, as we know how important it is to get out and get fresh air while socialising with our mates.

All bookings can be made through our website - burtonmuga.co.uk. Can we please just remind you that no food and drink or bikes should be on the surface and that all users need a booking. Anyone who hasn't used the website before, please message if you need any help or have any questions about the facility. Our email address is BurtonSandRT@outlook.com.

We, as a committee, hope you enjoy your summer and we thank those that continue to support us and what we are trying to do with the facility. Without the community using us it would be a lot harder. We are sure you know that everything we do is with the intention that everyone can continue to enjoy the facility while staying safe.

Our Place... Our **FUTURE**... Join the conversation

 Westmorland and Furness Local Plan

Every person living and working in Westmorland and Furness is invited to join the conversation into how we can together make the area better now and in the future.

Westmorland and Furness Council is preparing its first Local Plan – which looks ahead 20 years from now and considers how many new homes and workplaces that our area needs to continue to thrive, while also protecting our local and historic character and special landscapes, green spaces and environment.

The council is kickstarting the process with a conversation about the places residents live, work and visit across the Local Plan area – the parts of Westmorland and Furness outside the Lake District and Yorkshire Dales national park areas.

A digital survey has gone live today and we are urging as many people as possible to let us know their views.

Conversations will also be happening at drop-in sessions all around Westmorland and Furness, starting in Kirkby Stephen on Wednesday, when people can talk to council officers to find out more about the process and contribute.

Join the conversation or find out details about the drop-in sessions at:
www.westmorlandandfurness.gov.uk/localplan

We will also be asking people to give us their views on the design of new development by helping to shape a Design Code for our area.

Councillor Virginia Taylor, Portfolio Holder for Sustainable Communities and Localities, said: "Making a local plan could be the most important thing the Council does. A local plan sets out the future we want for ourselves and for future generations. It's a chance for everyone – residents, businesses, utilities, highways, education, health, town and parish councils, environment and nature agencies – for everyone to contribute to a plan for the best future for the whole of Westmorland and Furness. "

"A new plan is a chance for us to solve problems of housing, jobs, transport and infrastructure. The consultation is a chance to input local knowledge, hear expert testimony, and assemble a wide range of data so the plan is made up of good decisions, soundly based.

"This is the very first stage in preparing our Local Plan and there will be future consultations as the plan develops and the draft plan emerges. We promise to

listen to all comments, views and suggestions and keep the people who matter at the heart of the process."

The Local Plan will allocate sites for housing and other developments, such as new employment sites and minerals and waste sites (e.g. quarries and recycling centres). We are asking people to put forward sites to be included within the new Local Plan.

It contains the policies that we use to guide and decide whether to grant planning permissions for new development.

Councillor Virginia Taylor

And the plan seeks to make our area better by, for example, reducing the environmental impact of new development, building affordable housing, helping our wildlife and reducing flood risk, helping improve our infrastructure (including roads and cycleways, schools, drainage systems, facilities for recycling/waste management and community facilities) and identifying the infrastructure needed to support development and shows how it will be accommodated and provided for.

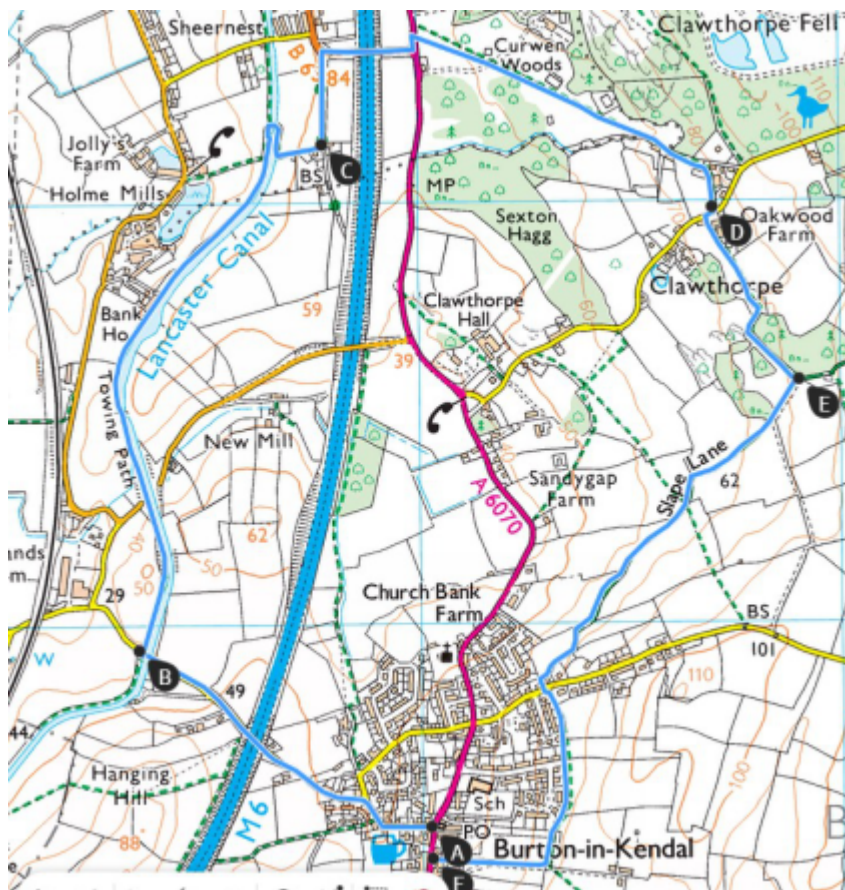

The plan takes into account changes in our economy, population, society, towns, countryside and nature, movement around places, climate, and frequency of extreme weather event, heritage and communities".

Mike Meanders Again!

This is a good trail round the village on both sides of the A6070 with not too much road work and only 50m ascent. It will take about 90 minutes and is approx 6km.

Starting at the PO go down to the canal access point via Station Lane (B). Climb the steps up to the tow path and turn left, towards Holme. Follow the tow path to the second bridge. You need to cross this via a small path on the right, then go back on yourself to join a track. At the end of the track (C) turn left then right to cross over the motorway and the A6070. Go left (North) for a short distance on the A6070 until you see a stile and footpath on the southbound side. Follow the diagonal track through Curwen Wood to Piper Lane in Clawthorpe. From Piper lane, walk across Clawthorpe Lane to Oakwood Farm (D) and the green gate in the wall in between the cottages and the farm gate, skirt the side of the barn to the gate at its far end and go up the track ahead. Follow the track till you reach Slape Lane and can turn right back to the village. The map takes you round the back of Morewood Dr but you could also drop down into the village via Vicarage Lane.

A slightly longer route can be taken by going a little further North on the A6070 and taking the next footpath through the woods (not shown on the map). This still brings you back to Clawthorpe to return via Slape Lane.

Burton Thistle FC

We are excited to announce that in our 24/25 season we will be fielding two teams in the Westmorland League!

Our current first team will continue to be managed by Mark Johnson and Chris Taylor and our reserve team will be managed by Stuart Berry, formerly of Holme Athletic under 18s and former first team Burton manager Martin Richardson.

Both teams will play their home fixtures at Curwen Woods and use the changing facilities at the Burton MUGA. The Longlands Hotel and Volkersteven will continue to be our main sponsors.

We would like to take this opportunity to thank the Boddy family, Burton Recreation Trust, Barry at The Longlands Hotel and Volkersteven for their continued support of our club.

School Report

At the end of another successful year at school we would like to say a huge 'thank you' to all of those who have supported us over the past twelve months.

There are a number of people, including volunteers from the community who hear readers and support learning, the 'Open the Book' team, our PTFA, the Yeadon family (for all of their voluntary work up keeping our grounds), and many more, whose help and support has been invaluable. We thank you all.

The term has ended in a very eventful way, with all classes experiencing an out of school trip.

Nursery had a wonderful time at Wildlife Oasis where they held various animals and learnt about habitats.

Reception went to Greenlands Farm, explored and held animals (including Ketchup the snake!) and played on both the indoor and outdoor play areas.

Year 1 and Year 2 went to Tree Top Nets, explored the woods and made shelters/dens. They had a wonderful adventure on the play park and had a picnic in the sunshine.

Year 3 children thoroughly enjoyed their 555 Bus ride to Kendal Museum, where they learnt about the Romans, and then went to enjoy delicious pizza at Sapore restaurant.

Year 4 sailed on Killington Lake and learnt about the different parts of a sailing boat and how to steer the boats using the tillers. At the end they had great fun jumping into the lake off the jetty.

Year 5 went to Heaves Farm where they engaged in lots of hands on activities related to the processes of farming and 'hand to fork'. They saw lots of live animals and how to shear and tag sheep.

Year 6 had a wonderful week away at Hawse End, including Ghyll scrambling, Sailing, Archery, climbing and fell walking. They enjoyed a camp fire and toasting marshmallows too!

Congratulations to our children for successfully completing their Eco Schools award again. We look forward to displaying the new award in September. As part of this, Year 1 also completed their Green Award too.

We wish all of our wonderful Year 6 children success at the various secondary schools that they are moving off to.

As well as our Year 6s we have a few staff moving on to new adventures too.

Mrs Ludlam is leaving us after ten years to take up a support role at QES.

Mrs Mellard has secured her first headship and takes over at Dean Barwick Primary School from September.

And after 19 years with us, Mrs Derrick is retiring as School Business Manager.

We thank all 3 of those leaving for their hard work, dedication and 'can do' attitudes over the years that they have been with us. You have all been great assets to the team. We will miss you all and wish each one of you every success with the next adventure that awaits you.

We hope that you all have a lovely summer break and look forward to welcoming Reception-Year 6 children back into school on Wednesday 4th September. Nursery children re-join us on Thursday 5th, with staff making home visits to new families on the first day of term.

Vicar's Letter...

Clock Works

Dear Friends

Do you ever wonder what powers the clock on the church tower? Some clocks with hands and faces of great age are actually driven by recently installed electric motors, but not the Burton church clock! The mechanical movement proudly displays its maker's inscription: 'John Smith and Sons, Midland Clock Works, Derby, 1912'. There is no electricity involved (except for the light bulb in the room!).

Every week, one of the volunteer clock winders from our village climbs the steep stairs to the first floor ringing chamber where the clock movement ticks in time with the swinging of the heavy cast iron pendulum bob. They then get a good workout as they turn the handles that wind the cables onto the drums and haul up the two heavy cast iron weights to the floor above. Over the course of the week these weights slowly descend nearly 30 feet back to the ground floor powering the 'going' mechanism that drives the hands and the chiming mechanism. On the hour, every hour, it is this second mechanism that springs into action pulling on a cable that passes through holes in the floors to the top of the tower to strike a hammer against the largest of the bells to sound out the hour.

The clock keeps remarkably good time but, being over 100 years old, it is not surprising that she will sometimes lose a few minutes or get confused as to which hour she should be chiming. On a still night with the bedroom window open I can clearly hear the chiming from our home in Glebe Close and I imagine that is true for a good number of houses in our village. Of course, we're surrounded by devices that tell the time and no longer need a church clock but I hope you agree that this kind of mechanical masterpiece ought to be kept going for as long as possible. Thank you to all the current clock winders for your willing service: David Johnston, Richard Evans, John Page, Paul and Mary Bullimore.

"But I trust in you, O LORD; I say, 'You are my God.' My times are in your hands" (Psalm 31:14-15)

Sincerely,

Graham Burrows

Call for Advertisers

Do you run a small company offering services to residents of Burton? If so, would you like to advertise with us? If you are in receipt of this newsletter then you know it is distributed each month (except Jan) to all households in Burton, Dalton and Clawthorpe. Our, very reasonable, rates are quoted below. You do not have to run your advertisement for a full year but just for those months that are most appropriate to your business. If you do take a full year's subscription then, as an introductory offer, we will double the size of your advert for the first month*.

Information

A "one year" advert space purchase covers 11 editions of BurtonNews (we publish from February to December inclusive each year), and can be bought at any point in the year. Advertisers should design their own material and submit it to the Editors by the 20th of the month prior to the month of publication (e.g. 20th July for inclusion in the August edition). Advert dimensions are given in the table below.

Colour adverts are welcome, as the web version of Burton News is displayed in colour. However, the print magazine is published in grayscale so thought should be given to how colour will display when printed. Low contrast between background and text (e.g. white text on a light colour) does not convert well to grayscale printing. Early submission will allow the Editors to give feedback on appearance.

Size	One Year	6 Month	3 Month	1 Month
1/8th	£ 66	£ 35	£ 20	£ 8
1/4tr	£ 125	£ 70	£ 35	£ 15
1/2 page	£ 250	£ 140	£ 70	£ 25
Full Page	£ 500	£ 280	£ 140	£ 50

Advert size in centimetres		
	Width	Height
1/8th	6.0cm	4.5cm
1/4tr Portrait	6.0cm	9.3cm
1/2 page Landscape	12.5cm	9.3cm
Full Page	12.5cm	18.5cm

Please contact the editors on burtonnewseditor@gmail.com for advice.

* A 1/8 page will be published at 1/2 page size or 1/4 at full page size. Other combinations on discussion but would require a change in layout that the editors cannot guarantee to do.
