EDITORIAL

What a month it has been in the village. The Onion Show was a huge success yet again, raising over £11,000 for local good causes and cancer charities. As ever it was extremely well organised event, with the volunteers providing a full day of fun and laughter.

All of us at BN towers would like to say a massive thank you to everyone who donated money during our fundraising drive last month. Every penny helps us to keep going and to improve our service to you all. If you would still like to donate you can make a payment to Burton News directly using our sort code 010160 and account number 18029388. Will really appreciate every donation. We have also been delighted to receive donations from some of the societies that we help to promote throughout the year, and this is also much appreciated. Last month's quiz night at the Royal was also in aid of BN, and raised over £350! Thanks to all who attended. Your BN team finished with a creditable 3rd place.

A big thank you also goes out to our regular advertisers who took the time to respond to our online survey. We were pleased to read such positive feedback and will be looking to improve our service to advertisers in 2027, particularly in regards to our online offering.

We are really pleased with lots of the feedback that we have received about our social media output.

Please would readers note that letters & articles must include a valid name & address. This can be with-held from publication on request. We will not publish any anonymous letters, or material which, in the opinion of the Editorial Committee, is of an offensive or defamatory nature. BN reserves the right to edit letters & articles in the interests of magazine space.

We have seen a massive increase in followers and lots of positive support, although we do want to address some comments about our use of AI in generating some of the images that we use. One person has said that they do not like the look of the images generated and two people have commented on the environmental impact of using AI. At BN we do try to have a sound ethical and environmental policy, and are always keen to receive feedback from our readers. We will take these comments on board and reflect as a committee on how we use AI in the future.

However, we also realise that social media is an important and growing source of information for our readers, and we want to make sure that we continue to engage in the most effective way. Therefore, we will continue to use AI in a limited fashion. BN has a wide reach and impact, however, despite the influence that we have, we are unable to hold back the wave of AI. The comments that we received about the environmental impact of AI data centres were posted on our Facebook page. Facebook is owned by Meta and runs Meta AI. Therefore those people who were critical of our use of AI were at that very moment adding to the use of AI data centres in their posts, which just goes to show how difficult it can be to maintain the high ethical standards we all desire.

Finally this month, we are delighted to begin our family announcements column. If you want to wish someone a happy birthday or anniversary, or have a personal announcement to make, please get in touch with us and share your news.

BURTON WOMEN'S INSTITUTE

Theatre goers, have you ever wondered how the cast miraculously appear on stage in the right costume at the right time? Cue our fantastic member/speaker Bet Burrow, wardrobe mistress extraordinaire, who gave us insights into, in her own words, ‘How the magic happens’.

Members were fascinated by Bet’s tales of how costumes have to be laid out meticulously on chairs before every performance; how costumes are sourced; to meeting Princess Margaret; and of course spilling the beans when things don’t quite go according to plan! Truly an evening with a real buzz.

Staying with the theatrical theme, 6 members braved the 555 bus to the Theatre by the Lake in Keswick to enjoy an absolutely fabulous performance of Calendar Girls. Go WI!!

Next month come and join us as we look forward to an evening of Floral Arrangements by Lauren Dixon on October 8th. What a way to brighten up an autumnal evening.

Contact Jan Clarkson 07974 412458 for more information

HOLME AND BURTON MOTHER'S UNION

Autumn season began on September 1st with a talk and slide show by Rowena Pavey entitled ‘Boxes of Hope 2019’. Rowena joined a team from ‘Teams 4 U’ and travelled over 700 miles to remote villages around Romania to help distribute gifts of Christmas shoe boxes to vulnerable children in marginalised communities. The descriptions and slides of the living conditions facing the children and their families were heartbreaking but the smiles of joy and happiness displayed by the children on receiving a shoe box gave everyone a reason to be hopeful.

This year, ‘Teams 4 U’ will be heading to Ukraine, Moldova, Georgia, Bosnia and Romania. Members gave Rowena bags of gifts that we had collected over the year to help make up shoe boxes for this year’s Christmas Appeal.

The next meeting on Tuesday October 6th will be a talk and slide show about -- ‘The Hincaster Trail-Way’ by Bridget Pickthall. The menu for the Christmas meal will be distributed, for members to return with their choices by November. November 3rd meeting, ‘Prison Chaplain’ with Diane Gilmore.

Everyone will be made very welcome.

News from Burton Memorial Hall

On Monday 5th October at 7.30pm we start the new series of Monday Evening Talks at the Hall - with The Longest Yarn, by Rosie Fielder. The Longest Yarn - Britain at War is an 80 metre knitted and crocheted tribute to the people, stories and sacrifices of World War 2, bringing history to life through a series of 80 stunning handcrafted scenes. Join Rosie, the only Cumbrian contributor to this international project, as she shares her experiences of helping create this remarkable exhibition and reveals the stories behind the stitches. Cost £2.50 on the door.

On Saturday 17th October we will have the Welcome to Burton Day Coffee Morning from 10am until 12noon. Local groups, societies and services are welcome to have a free table to promote your activity - please let me know (01524 781306) if you'd like one. It will also include the Hall's huge Used Book Stall, Kevin Preston's Autumn Bedding Plants, and our delicious home-made cakes, plus Kingsharp in the car park again to sharpen your blunt things (knives, scissors, DIY tools, garden tools) - so it's a date not to miss!

Diary Dates:
Monday Talk: 2nd November 7.30pm - Jane Dean, the founder of A Breath for Life in Heysham.
Annual Christmas Market: Saturday 14th November from 10am until 4pm, with 24 fabulous stalls, Jan's Pop-Up Cafe, and the Hall's huge Used Book Stall.
Our Christmas Bingo nights will all be on Fridays: 20th November, 27th November, 4th December, 11th December and 18th December. More details next month.
Monday Talk: 7th December 7.30pm - Gary Parsons, the Commanding Officer of Bay Search and Rescue, about their work in rescuing people in Morecambe Bay.

And finally, we are thrilled to have secured Tattie Bogle again for a Burns Night Supper and Ceilidh on Saturday 23rd January 2027, with supper by Jan's Pantry. Tickets will be on sale from the Saturday coffee mornings on 21st November, 19th December, and 16th January (if there are any left by then!)

Burton Book Drop & Coffee Mornings

Monday 5th October

Burton Book Drop Coffee morning is held in BMH on the first Monday in every month (unless its a bank holiday) from 10:00 to 11:00. All proceeds go to help the upkeep of the Hall. This is an opportunity to come and have a coffee, cake and a chat, buy a second hand book and use our Book Drop. The Book Drop is a community library service provided by Westmorland & Furness Council but manned by village volunteers.

PARISH COUNCIL SKETCH

This month, our usual Chariperson, Francis Mason-Hornby, was unfortunately absent. The reason for absence given by Cllr Wren is unprintable in a family publication such as Burton News.

On the subject of defribilators which was discussed last month, Curwen Woods have offered to site one, as have Duckets as additional to the ones already sited in and around the village. Other approaches will be made to organisations that may be willing to donate and fund further AEDs. If any other people or organisations would like to support this financially in regards to the ongoing running costs, or upfront costs, then the PC would be very happy to hear from you.

During the open forum an application to erect solar pandels at Dalton Hall was discussed. Pete Grieg and Rachel Durrant run a health software business at Dalton Hall, PULSE. It is an employee owned company. They want to improve their eco credentials, and therefore install solar panels to reduce reliance on fossil fuels used by the business. The panels would be solely for the use of the business. This is a new scheme, and the plans are for a solar array on the ground, rather than roof fixed panels. No complaints have been received from residents about this application. The PC raised no objections to this proposal. Other residents were in attendance, but were just there out of interest.

Our District Councillor was absent, so no report to discuss.

Support was given to the application at Hutton House to replace a UPVC window with a timber window. PC applauded this decision.

There the followed a discussion about 'General Power of Competence'. This would grant the PC extra powers as long as they are used for the benefit of the community, provided that the action is legal. It would also allow the PC to borrow money for specific reasons, and provides the PC with more options and more flexibility. This was proposed and adopted.

In regards to the issue of Home-to-school transport, a letter had been received from a resident about this matter, and previously residents have attended PC meetings to express concerns over changes. The PC do not have a great deal of power over this matter, as it is a decision made by W&FC. The PC considered whether they should facilitate a separate meeting between parents, Burton Morewood School and W&FC. It was suggested that it would be good for the PC to support residents in this matter. The long term impact could be quite severe for the village, if free transport is not provided to QES. It might make the village less popular with families choosing to move to other areas where free transport is provided. The PC have agreed to facilitate a meeting to take place in the hall. As soon as this is put in place, then residents will be notified of this open meeting.

Burton Singers News

Following on from our Summer Concert we have been able to donate to local charities: Burton Morewood School's playground renovations and Burton Memorial Hall. As well as The Outlook Trust, a Windermere based charity, that offers residential breaks and activities for partially sighted and blind children and young adults with other disabilities. Recently we added a donation to a fund for local man's travel home after a life changing accident.

Rehearsals resumed in September for our Winter Concert. We have been able to welcome some new members to the group. The concert will take place on Saturday12th December and details will be given in next month's Burton News. Once again, we will be singing completely new songs, as well as revisiting a mixture of material which evoke our feelings and ideas at this time of year. Come to listen to old and new familiar and different.

BURTON BOWLING CLUB

The main League season has drawn to a close, although the Club has entered a team into the Lune Valley Floodlit League which runs into the late Autumn. The season has ended with a notable success for the Club in winning, for the second time in three years, the Championship of the Kendal League Division 1. Congratulations are due to the Captain Ira Collier and his handpicked team of stars including Burton's own Russ Coates and Martin "Tiger" Richardson. The B team led by Ray Metcalfe succeeded in retaining it's place in Division 1 for a further season.

The teams in the Morecambe League had mixed fortunes, the A team in Division 1 finishing second bottom and facing relegation, whilst the B team in Division 4 finished in a respectable mid-table position. There was encouragement to be found in that several novice players came in to the B team and acquitted themselves well, a re-assuring development for the future. The team of Veterans had another solid season, finishing third in the First Division and reaching the Final of the cup competition where they were beaten by a very good Hornby team.

The Club was honoured to be chosen as the host venue for the Final of the South Westmorland Rural League's Skidmore trophy. The event looked destined to be a rain-soaked one as it had poured down all afternoon, but the rain miraculously stopped about 20 minutes before the start time and held off whilst the play was in progress.

On a non-bowling note, the Club provided the personnel who manned the barbecue at the Onion Show, another day threatened by awful weather which kindly abated for the majority of the time we were grilling and serving in the Memorial Hall car park.

POLICE REPORT

No crimes to report this month. Parking issues around the school is still an issue, we will be monitoring the area in the coming months. Please park responsibly.

Heating and Diesel Oil Theft:
There can be an increase in the theft of heating and diesel oil whenever the price of oil rises. A rise in the price of fuel at the petrol pump inevitably leads to a rise in the cost of heating oil. This makes oil a more attractive proposition for the thief and they can actively target fuel tanks at farms, transport depots and domestic properties. These tanks can contain thousands of pounds worth of oil and is therefore essential to take a few precautions.

If possible, locate the tank out of sight of the main road and in view of the house. Hiding the tank behind the garage, shed or some other type of outbuilding is fairly commonplace, but it can give the thief the advantage. Ensure the tank is within a reasonable distance of the road otherwise the oil supply company may not be able to refill it.

Invest in a good quality lock, closed shackle padlocks are the best as they offer most resistance to thieves. Due to their design, closed shackle padlocks have very little of the metal hoop (shackle) exposed and bolt croppers cannot get a good grip. Oil level gauges are now available which will set off an audible alarm if the oil level in the tank suddenly drops or falls below a quarter full.

Consider installing security lights, low energy dusk till dawn lights positioned close to the tank, should, in most cases, provide sufficient light to illuminate any suspicious activity.

Lifting the weight of debt

Dear Friends

30 years ago John Kirkby set out on an incredible journey in his home town of Bradford. Feeling compelled by God's kindness to him, he began to draw on his background in finance to help those who were weighed down by debt; parents who couldn't feed their children, families facing eviction and desperate people living without hope. He used his expertise to negotiate with creditors, set up budgeting systems and offer a lifeline to those trapped in debt.

Since then the work of the organization that he started, Christians against Poverty (CAP), has expanded across the UK in partnership with local churches. It is nationally respected by finance companies and those seeking to help people in debt. The Kendal and District Debt Centre was relaunched four years ago and now the churches of Burton and Holme are pleased to announce that, in line with our long-held ambition, the work of the Centre has been expanded to cover our villages.

The service is provided by those who are unashamedly followers of Jesus Christ but is available to all people, whoever you are or whatever you believe. However you've found yourself in difficulty, the service is completely free, funded by donations from churches and individuals. Help and advice is provided face-to-face, usually in the privacy of your own home, by trained experts from your local area. You'll meet someone who can really understand the things you may be facing alongside your debts, and who appreciates that debt can leave you feeling very alone. If you choose to follow a recommended route out of debt CAP and the local team will support you every step of the way.

'CAP are unsurpassed when it comes to the debt help they give people across the country.' Martin Lewis, Money Saving Expert

If you would like to know how CAP could help you please visit capuk.org/debthelp or call 0800 328 0006.

Kendal & District Debt Centre

Sincerely,

Graham Burrows

The church is open to visitors every Friday and Saturday, 10am – 4pm. You are welcome to look around or to use the quiet to think or pray.

Monday Talks at the Hall

Hyperbaric Oxygen Treatment

A talk by Jane Dean

founding trustee of... A Breath for Life

Monday 2nd November 2026
7:30pm at Burton Memorial Hall

This is the inspiring story of how one little boy's journey led to the creation of a children's charity changing lives through hyperbaric oxygen treatment. Based in Heysham (just off Middleton Road), **A Breath for Life** was founded in 1997 and is nearing its 30 year anniversary.

Join founder trustee Jane Dean as she shares Andrew's remarkable story and how one family's determination led to the creation of a charity that has brought hope and improved quality of life for children and adults living with a wide range of conditions.

VINTAGE FASHION FAIR

This is our Autumn Event and the charity we are raising money for is Headway - The Brain Injuries Charity. Last time we raised the amazing amount of £608.00 for Encephalitis International and in spite of the name, they are a very small charity based in North Yorkshire that punches well above its weight.

Inspired by the last Autumn Fair, Midway Intergenerational Community project, part of local charity Kendal Windows on Art (KWoA) ran a series of creative workshops at Burton Morewood Primary School. There were wonderful links formed between children in Year 3 at Burton Morewood School and residents who attended the Vintage Fair sharing their enthusiasm about memorable and significant outfits and fashions of yesteryear. The school had several practical art sessions designing and making outfits for 'peg-dolls' in re-cycled fabrics. Clothes literally touch us all and are a shared language that connects.

We have lots of new and exciting stall-holders as well as our regular faces so come and for browse, be inspired and maybe have a bit of retail therapy too!

The Vintage Tea Rooms will be serving fabulous cakes and refreshments so please join the Vintage Team for a jolly social time and help to raise money for our chosen charity, Headway, The Brain Injuries Charity.
